SCALA 1:30

The diagram is a detailed architectural foundation plan for a three-story building, specifically the third floor (terzo gradone). It shows a symmetrical layout with a central corridor and multiple rooms on either side. The plan includes numerous dimensions in meters (m) and centimeters (cm), as well as structural notes such as '0/60' and '0/65' indicating floor levels or structural requirements. The overall dimensions of the building are 10.53m in width and 10.10m in depth. The plan is drawn at a scale of 1:30.

The diagram is a detailed architectural foundation plan for a three-story building, showing a symmetrical layout with multiple rooms and structural dimensions. The plan is divided into several rectangular sections, likely representing different rooms or structural units. Key dimensions and annotations include:

- Overall Dimensions:** The total width of the structure is 10.53, and the total depth is 10.10.
- Room Dimensions:** Individual rooms are labeled with their dimensions, such as 2.71 x 2.39, 2.23 x 2.23, 2.65 x 2.65, and 2.20 x 2.20.
- Structural Details:** The plan shows various structural elements, including walls, columns, and beams, with dimensions indicating their placement and size.
- Annotations:** The plan includes numerous numerical annotations, likely representing structural loads, material quantities, or other technical specifications.
