Alfred

Architectural drawing of a building facade showing a grid of windows and doors. The drawing includes dimensions and annotations.

Dimensions:

- Overall width: 30.74
- Overall height: 42.0
- Window height: 4.0
- Door height: 4.0
- Door width: 4.0

Annotations:

- (PINTI: mt 1,40 x 1,40)
- PINTI PER EVENTUALE PORTATO

[illegible]

This architectural drawing shows a detailed floor plan of a multi-unit residential building. The plan includes several individual apartments, each with its own set of rooms such as bedrooms (labeled 'LETTO'), bathrooms ('BAGNO'), living areas ('ALBERGATO'), and kitchenettes ('CUCINA'). Staircases are centrally located within the building's footprint. A large open area at the bottom is labeled 'COFERTURA SPAZIO GIOCHI' (Roof play space). Dimensions are provided along the perimeter: 67.4m by 31.5m on the left, 66.9m by 31.5m on the right, and 62.0m by 12.50m at the bottom. Various smaller dimensions like 8.0, 10.0, 12.0, etc., define the internal room layouts.

The architectural floor plan shows a building with two main sections connected by a central corridor. The left section contains two rooms, each with a circular feature and a door. The right section contains two rooms, each with a circular feature and a door. The plan includes dimensions, door swings, and window placements.
