

The drawing shows a rectangular building footprint with overall dimensions of 280 units by 370 units. The footprint includes several internal features and setbacks:

- Top Edge:** A horizontal line at the top with segments of 70, 240, 30, and 30 units.
- Right Edge:** A vertical line on the right with segments of 120 and 190 units.
- Bottom Edge:** A horizontal line at the bottom with segments of 800 and 110 units.
- Left Edge:** A vertical line on the left with segments of 60, 140, and 30 units.
- Internal Features:**
 - A small square labeled "19" is located near the top-left corner.
 - A larger rectangle labeled "20" is positioned towards the center-right.
 - A horizontal line segment labeled "24" is located near the bottom-left corner.
 - A horizontal line segment labeled "25" is located near the bottom-right corner.
- Annotations and Callouts:**
 - "POS 1" points to the top edge of the footprint.
 - "POS 2" points to the bottom edge of the footprint.
 - "VEDI PIEDE TRAVE-PARETE" (See Footing-Beam-Wall) points to the bottom edge of the footprint.
 - "POS 1" also points to a small square feature near the top-left corner.
 - "POS 2" also points to a small square feature near the bottom-left corner.
