This architectural site plan illustrates a building complex and its surrounding infrastructure. The plan includes the following elements:

- Streets:**
 - VIA MONZONE:** A street running diagonally across the upper left portion of the plan.
 - VIABILITA' DI P.R.G.C.:** A road or path running diagonally through the center of the plan, likely a public road.
- Buildings:**
 - Building A:** A large rectangular building located in the upper right quadrant, marked with a circled 'A'.
 - Building B:** A large rectangular building located in the lower right quadrant, marked with a circled 'B'.
- Parking Areas:**
 - PARKING:** Two designated parking areas are shown, each with numbered parking spaces. One is located between Building A and Building B, and the other is to the right of Building B.
- Other Features:**
 - COLLETTORI FOGNARI COMUNALI:** Labels indicating the location of communal sewerage collectors.
 - Shaded Areas:** Several irregularly shaped areas are shaded with diagonal lines, possibly representing existing structures, vegetation, or undeveloped land.
 - Dimensions:** Various numerical dimensions are provided for parking spaces and building footprints.
