ING. CAPO

PROSPETTO EST

PROSPETTO NORD

The image displays two architectural drawings of a building. On the left is a perspective view of the 'PROSPETTO EST' (East Elevation), showing a multi-story structure with a central vertical element and a series of windows. On the right is a cross-section view of the 'PROSPETTO NORD' (North Elevation), illustrating the internal layout and structural elements. The drawings are rendered in black lines on a light background, with some areas shaded to indicate depth and volume. A wavy line at the bottom of the cross-section indicates the ground level. The drawings are accompanied by various stamps and text, including project information, approval dates, and the architect's name.
