

Architectural drawing of a building reconstruction project. The main plan shows a rectangular building with various rooms and elevations. A dashed line indicates a section cut A-A, and another dashed line indicates a section cut B-B. The building is situated on a sloping site, with a road labeled "Via dei ROMANI" at the bottom. The drawing includes a legend for "Ricostruzione" (Reconstruction) and "Demolizione" (Demolition). Two cross-sections, "Sezione A-A" and "Sezione B-B", are shown on the right, detailing the building's profile and foundation. A "Sezione tipo Muro previsto" (Typical wall section) is shown at the bottom right, detailing the wall's construction and reinforcement.
