

Architectural elevation drawing of a building facade. The drawing includes the following annotations:

- Alluminio elettrocolore blu* (Blue electrocoat aluminum) pointing to the upper left section.
- Granigliato bianco seminato* (White seeded granulated) pointing to the upper right section.
- Frontalino in alluminio elettrocolore blu* (Blue electrocoat aluminum front panel) pointing to the upper right corner.
- Angolare\*stondato* (Angular\*rounded) pointing to the right edge of the facade.
- Pensilina in C.a.* (Canopy in C.a.) pointing to the central entrance area.
- Pannello bianco-grigio* (White-grey panel) pointing to the lower left and lower right sections.
- Alluminio elettrocolore blu* (Blue electrocoat aluminum) pointing to the lower left section.
- Granigliato bianco seminato* (White seeded granulated) pointing to the lower right section.

This architectural section drawing illustrates a building's facade and interior staircase. The facade features a series of arched polycarbonate panels supported by a blue electrocoat aluminum frame. The interior shows a staircase with a white semi-gloss finish and a blue electrocoat aluminum handrail. The floor is made of industrial pavement. The drawing includes dimensions: 800 for the total height, 350 for the upper section, and 450 for the lower section. The structure is supported by concrete foundations.

Labels in the drawing include:

- Polycarbonato
- Frontalino in alluminio elettrocoloro blu
- Alluminio elettrocoloro blu
- Granigliato bianco seminato
- Pensilina in C.a.
- Trave di banchina
- Pavimento industriale

Dimensions: 800, 350, 450.

Architectural elevation drawing of a building facade. The drawing includes several annotations with leader lines pointing to specific features:

- Granigliato bianco seminato* (pointing to the top horizontal surface)
- Alluminio elettrocolore blu* (pointing to the upper horizontal band)
- Frontalino in alluminio elettrocolore blu* (pointing to the upper horizontal band)
- Pensilina in C.a.* (pointing to a small rectangular feature on the left side)
- Angolare stondato* (pointing to the right vertical edge)

The facade is divided into horizontal sections by lines. There are two rows of rectangular windows or panels: one row on the upper left and one row on the upper right. Below these, there are two smaller rectangular panels in the center. A small door or opening is visible on the right side, near the bottom. The drawing is a technical line drawing with some color-coded areas (blue and orange) indicating different materials or finishes.
