- Overall length: 1840

**Room Details:**

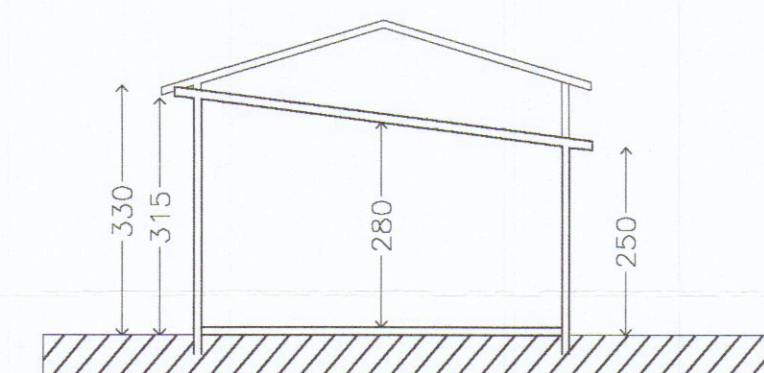

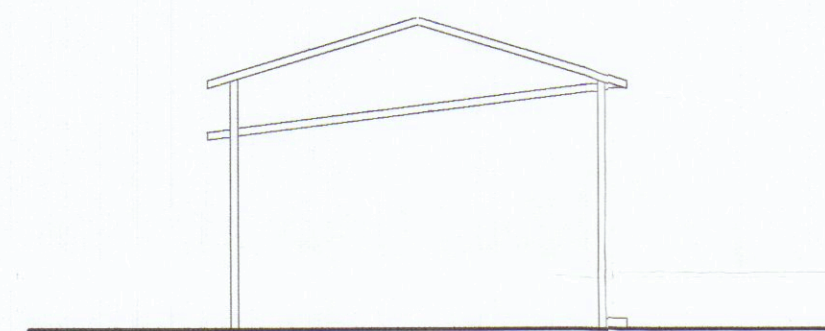

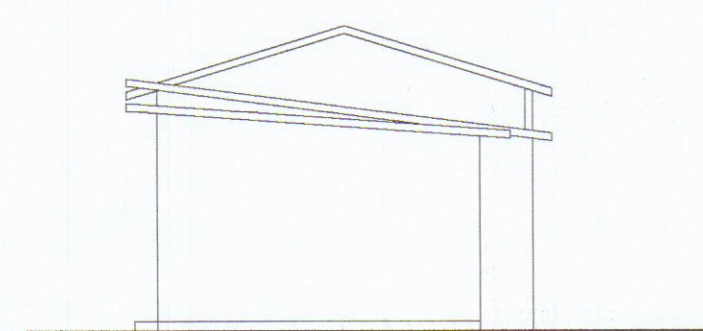

- Tettoia - lavorazione materiali non ferrosi:**
  - Width: 550
  - Height: H=330
  - Area: 1515
- Magazzino - lavorazione materiali ferrosi:**
  - Width: 1820
  - Height: H=250
  - Area: 4550
  - Level: +0.10
- Ufficio:**
  - Width: 435
  - Height: H=290
  - Area: 1258.5
  - Level: +0.30

**Wall Thicknesses:**

- Outer walls: 10
- Internal walls: 10

**Section Line A-A:** Indicated by a dashed line with arrows pointing to the top and bottom of the plan.

Architectural drawing of a building facade. The drawing shows a long, low structure with a series of vertical lines representing windows or panels. The overall width is 550 units, and the height is 500 units. The drawing includes a north arrow pointing upwards and a scale bar indicating 1840 units. The facade is divided into sections by vertical lines, with a central section being the largest. The drawing is labeled with dimensions: 550 (width), 500 (height), and 1840 (scale bar). The facade is divided into sections by vertical lines, with a central section being the largest. The drawing is labeled with dimensions: 550 (width), 500 (height), and 1840 (scale bar).

A line drawing of a building facade. It features a flat roof with a chimney on the left side. The facade has several windows: a small square window on the left, a large rectangular window in the center, and a small square window on the right. There is also a small rectangular window on the far right. The drawing is simple, using black lines on a white background.
